

BARA BHANGAL TREK

Bara Bhangal trek is a difficult trek which starts Bharmour and ends in Baijnath which is 63 km from Dharamshala. During this trek we will reach to the heights of 4665 m. The Bara Bhangal trek is great to explore the primitive villages in remote Himalayan regions. This trek is highly demanding during initial 3 days one have to negotiate really difficult and dangerous trail which at places have only half a foothold with straight drops into rivers. The trek ends at place which is one the best place for Paragliding.
